

Steve Struble  
Project Manager  
**AQUEOS CORPORATION**

Mr. Steve Struble has been involved with the Commercial Diving Industry for over 21 years. He received his start with Continental Divers in Patterson LA and is currently a Project Manager at Aqueos Corporation.

Aqueos is a premier Subsea service provider with our core values being a commitment to “excellence” and our dedication to an “accident-free” workplace. Aqueos provides a full range of services that includes Marine Construction, Commercial Diving, Remote Operated Vehicle (ROV), and Vessel contracting services. Providing a safe and comfortable working environment is a top priority for the management of Aqueos. We believe that nothing is so important that we cannot take time to do our work safely. We know that having a strong and healthy workforce means our personnel are motivated and productive.

Steve believes in open communication and sharing information with others in our industry as we all learn and share with each other in our network to better our industry as “safety is everyone’s responsibility” and we can all learn from the other person no matter how much experience they have or where they are from.
